Continuous Glucose Monitors; CGM's

Sharon A. McDowell, RD, CDE

Ms. McDowell is a Certified Diabetes Educator and a Clinical Account Trainer with Dexcom, developer of the CGM. She will be giving updates on Dexcom G6 (CGM) thru an interactive Webinar. Training will focus on how the CGM works and how to support students at school. This is a DO-NOT-MISS! Technology is moving fast and Diabetes Management is advancing. The Dexcom G6 is a constant glucose monitor that many of our students are coming to school wearing.

Immunization Coalition

California Department of Public Health is making changes to current immunization law. Learn about changes that are coming and when they are slated to take effect. Find out what they are and how the change will impact your practice.

CSNO Updates

Pamela Kahn, MPH, BS, RN

Coordinator, Health and Wellness, OCDE

California School Nurses Organization, President-Elect 2017-2019

New School Nurses and Veterans alike will gain valuable information on what CSNO has been doing. Learn how our advocacy has made progress, get information on upcoming events, and find ways to volunteer and be a part of CSNO.

Self-Promotion and Advocacy

Dr. Rachel McClanahan, DNP, MS, RN, NCSN

Dr. McClanahan will teach us how to promote ourselves as professional school nurses and how important it is to be involved. Times have changed, how do we stay relevant? You will not want to miss this information! Dr. McClanahan is on faculty at California State University at Fullerton, in the School Nurse Credentialing Program.
